If your favorite thing about summer is ice cream, get ready to let your world smug. Dreyer's ice cream came up with a few ideas so ingenious, we can't believe we've lived this long without them: Instead of just serving ice cream in a bowl (boring!), people at Dreyer's have come up with a way to make edible bowls of cookies, cakes, apples and even lemons. And to take the ingenuity of ice cream a step further, they also devised an ingenious way to use ice cream as a cake glaze (!). Does all this sound too good to be true? I made the dough according to the directing (only adding 3 tablespoons of flour per 5600 feet), but I made one giant sandwich using 8 rounds of cake. Baked at 310° for 25 minutes. I also surpassed it with mini M&M's. It looked as good as it tasted. I took it on a girls' night out at a friend's house, and I was everybody's best friend that night. September 19th, 2008. I made mine in a pan of 13 X 9 and baked it for 18 minutes, cut it into squares and added 1/2 cup of toffee chips. 07/05/2010 Delicious! I made them according to the instructions, in addition to making cookies in 1 beads based on previous comments. I also froze the cookies before filling them up to help me handle them. September 23rd, 2007. However, I only said to make nine pastry sandwiches instead of the twelve that the recipe indicated. I would recommend making smaller pastry balls if you want to draw more from the recipe. 06/01/2007 You won't believe it, but, my mother-in-law loves me after tasting this recipe. 06/02/2008 This was so delicious! I made it one big sandwich using 9 cake rounds too. I used chocolate chip ice cream and then cut it with extra choolate chips and butterscotch. The only thing that was hard was cutting it into serving pieces. When the cookie was thawed enough to cut out the ice cream it was very mushy. So I put it back in the freezer after cutting it for a while. Maybe you could be cut in advance before a long freeze time. It was delicious and got rave reviews at the summer BBQ party! 12.10.2010. Simple and tasty!! I personally use my favorite biscuit mix instead of cake. Just press together before the cookies cool down completely. Yum... This is a great recipe. You can make these hundreds of different ways. Thank you for submitting. 02/02/2010 Yummy and pretty easily I made mine on a cookie sheet because I think 9x13 would make them thick, but they proved perfect on a cookie sheet a little bigger then 9x13 and then cut them to size I wanted a lot easier then doing them balls I thought... My whole family loved them and I'm sure I'll make them again soon.) 08/16/2010 This was so good! I had about four of them when we took them out of the freezer! I wouldn't change a thing about this recipe! The only thing I would suggest is when the recipe says you have to be quick when you grab ice cream on cookies you better do it FAST! Otherwise, all the ice cream melts out of the cookies, and you end up re-indusing most of it! In addition, this recipe was a hit in dessert! 1 out of 5 simple Jo 2 ice cream sandwiches from 5 simple Monica 2 3 ice cream sandwiches out of 5 Andrea Parker's ice cream sandwiches 4 out of 5 simple ice cream sandwiches 5 out of 5 easy ice cream sandwiches tahoegirl Spruce eats uses cookies to give you a great user experience.
